Annexure No. 3: **Best Practices**

Best Practice-I

- 1) **Title :-** Creating awareness about Water Pollution
- 2) **Goals :-** i) To create awareness about water pollution in students and people.

ii) To study actual position of water pollution in the “Laxmi Lake”.

iii) To collect the Ganesh idols, garbage and destroy.

- 3) **Context:-** The students of Geography Department had organized Programme of Ganesh Idols donation on 31/09/2017 at ‘Laxmi lake’ situated in Peth Vadgaon, Dist. Kolhapur. In this programme 128 idols and garbage was collected and idols were donated to mason and garbage was destroyed. In this programme Principal Dr. Mirajkar R.M. delivered lecture on water pollution.
- 4) **Practice:-** In this programme 11 students were participated and along with people from nearby area. Our students collected the idols and garbage from people, the idols was distributed among the ceramists.
- 5) **Evidence:-** The actual field work was carried out by our students. The importance of this programme was highlighted by local newspapers very next day.
- 6) **Problems encountered during the programme.**

All students appealed people to donate Ganesh Idols but due to the traditional influence of religion few people refused to donate their idols. But after giving people information them some of the people donated the idols. We are hopeful that in the next year the number of people will be increased and we will get satisfactory success.

Best Practice-II

- 1) **Title:** - Geographical Survey of Shri kshetra Jotiba- Wadi Ratanagiri, Dist. Kolhapur.
- 2) **Goals:** - 1) To create interest among students to use subject knowledge in real life situations.

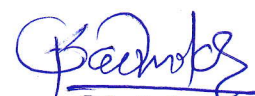

- 3) **Context:** - The students of final year Geography Department were actively participated in this best practice. Dr. S. B. Kamble, Head of Geography Department has organized this best practice for the students giving valuable guidelines, in order to complete this survey very successfully.
- 4) **Practice:** - Entire Students of the department went to Shri Kshetra Jotiba wadi Ratanagiri to study air, sound & water pollution along with environment decay. Besides, employment increment had also been studied.
- 5) **Inference:** - Actual survey reveals that the undue influence of pollution, decay of environment was came across. It helps to give guidelines to concerning authority & government to solve these problems as early as possible because the impact of such things will become dangerous in future. It was also observe that some people have started their own small business & achieving satisfaction income.
- 6) **Evidence:** - The actual survey report gives factual information regarding pollution & employment. The students submitted their survey in the form of report which is kept in department of Geography.
- 7) **Problems encounter of resources required**

The concerning authority has suggested various remedies to control pollution but still problem is unsolved. It needs to give proper guidelines to the people in order to solve this problem. Though the employments are created, it should have a proper system to get satisfactory success.
