

CRITERION VII: 7.3 INSTITUTIONAL DISTINCTIVENESS

As per the mentioned vision and mission of the Institution, it successfully transformed overall personality of students. The institution made it sure by imbining the stress on quality than the looks. It helped the students to know the individual uniqueness. The college made it sure that the students are with needed social skills & Local skills. Guided well in coming out of the comfort zone to increased Social Interaction. The most important was building the Don't Give Up attitude by participation in Curricular, Sports, Cultural and social activities. Students participated in Youth Festival and secured first Rank in Mime Act as well as first Rank in English Elocution Compaction. The departments like NCC & NSS crave it all over.

College believes that Personality Development is a tool through which students bring out their capabilities and their strengths making yourself aware of their inner self and become more confident to face the outside world.

As far as students are concerned, effective personality development programme conducted in our college helped the students to prepare them to face and meet the challenges of the outside world more effectively and efficiently. At the same time, make them to feel it easier to climb up the complicated corporate ladder more smoothly.

College implemented practices for Specific skills to be developed in higher institutions of learning:

- Communication skills.
- Thinking and problem solving skills.
- Team spirit.
- Life long learning.
- Entrepreneur skills.
- Ethics, morals and professionalism.
- Leadership skills.

Each of the above skills comprise of several sub-skills. It is observed that education is an essential tool for achieving sustainability. With realization of current economic development, trends are not justifiable and that public awareness, education and training are the key elements to move our society towards sustainability. Only a quality future human capital can visualize development of its nation to meet the needs of the present without

CRITERION VII: 7.3 INSTITUTIONAL DISTINCTIVENESS

conceding the capability of the future generations to meet their own needs. College's inculcation of soft skills amongst the students will be two points, to produce quality human capital and to develop their knowledge, understanding, values and skills as well.
