5.4.1 Alumni Engagement

The college has formed Alumni Association to interact and get feedback from the graduated students. The association is not registered under charitable trust act due to some reason but it is active. One of the alumni is in charge of the Alumni Association Committee. He takes initiative to organize a meeting in a year in the college. The ex-students share their experiences at work place and express their gratitude towards the institution in the meeting. The principal and the faculty appeal the students to help institution for upgradation. The alumni of our college is working in different sectors like education, business, different type of industries, entertainment, social work, agriculture, economics, banking, civil services and research. Some of the alumni are public representatives; they help us whenever there are some local problems, they also help the college. Their feedback is valuable for the overall development of the college.
