AN INTRODUCTION TO PERSPECTIVE PLAN

A Perspective plan is a blueprint of efforts made by the institution to impart quality education and achieve its vision, mission, goals and objectives. Institution planned to prepare a five year perspective plan through IQAC, which is the most prominent administrative body responsible for ensuring quality assurance and enhancement. It meticulously prepared the plan for 2021-22 to 2025-26. So while preparing the perspective plan, the IQAC of institution has taken utmost care that due consideration is given to the requirements of all the stakeholders. It has been prepared by keeping in mind the quality assurance indicators of seven criterions of NAAC. The draft Perspective plan was prepared and discussed in CDC and the governing council for its approval.

According to UGC, maintaining the momentum of quality consciousness is crucial in Institutions. Internal Quality Assurance Cell, in fact, is conceived as a mechanism to build and ensure the quality culture at the institutional level. Every Institution should have an internal quality assurance system, with appropriate structure and processes and with enough flexibility to meet the diverse needs of the stakeholders. The internal quality assurance mechanism of the institution may be called "Internal Quality Assurance Cell (IQAC)". The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the institution. The IQAC may channelize and systematize the efforts and measures of an institution towards academic excellence. It should not be yet another hierarchical structure or record-keeping exercise in the institution; it would be a facilitative and participative organ of the institution. The IQAC should become a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

Following the guidance of UGC and NAAC, the Institution established its IQAC on 01/02/2007. Since the last 15 years, IQAC has been functional and playing a pivotal role in all the quality initiatives in the institution. The composition of the IQAC is according to the guidelines given by NAAC office, Bangalore. IQAC meetings are organized three to four times a year and all the policy decisions and initiatives are discussed in the meetings. The IQAC coordinator handles the responsibility of framing policies, SOPs and documentation of the same. The latest composition of the IQAC is as under.

1:- From Academic Year 2021-22, all INOs are required to give their AADHAAR information while updating their profile, which will be verified from the UIDAI. NSP does not store AADHAAR on the portal.

2:- INO is advised to carefully enter AADHAAR related information (ie AADHAAR number, Name, Gender, Mobile Number & Date of Birth), as mentioned in her/his Aadhaar card. In case verification fails in first attempt, NSP will automatically try to verify AADHAAR related information again, without Date of Birth.

3:- Profile will be updated only after successful verification of AADHAAR information from UIDAI and subsequent OTP authentication.
