<b>Number of Teacher participated</b>	20
<b>Place of extension / outreach activity</b>	College
<b>Beneficiaries</b>	College Students and Staff

### Brief Report

#### Introduction:

Tree plantation means planting more trees in a planned way. It is significant in the current age of climate change and global warming . We cannot think of our existence without trees .Trees exert much influence on the climate condition of a country, they are responsible for maintaining the ecological balance throughout the world. An average tree produces enough oxygen to fulfill the oxygen needs of four people. Trees remove pollutants and fine grained particles from the air, reduce noise pollution and act as a buffer to keep residential areas quiet and serene.

Speech about Importance of Tree Plantation given by Hon,able Nanasaheb Mane, Chairman Jayprakash Education Society

#### Aims and Objectives

- Combat many environmental issues like deforestation, erosion of soil, global warming and hence enhancing the beauty and balance of the environment.
- To save endangered environment and to beautify our life.
- Awareness to reduce pollution.

#### Programme Outcome

- Many saplings of different species were planted. Students were encouraged to address the climate change by participating in the massive tree plantation drive.
- Students were encouraged for tree plantation.
- The entire program created a strong feeling among the students.
