Brief Report

Introduction:

International Yoga Day 2020 Date, Theme: The year of 2020 has been unprecedented for more than one reason. Right from the start of the decade, with the Covid-19 outbreak, fire outbreaks, airplane crashes, locust swarms and cyclones, the last six months have been tough. The pandemic has shown us the importance of immunity and healthy living. Yoga is something that brings these qualities together. Every year, June 21 is recognised as International Yoga Day but due to social distancing measures adopted by most countries, the theme set by United Nations for this year is "Yoga for Health – Yoga at Home". The World Health Organization mentions yoga as a means to improve health in its Global Action Plan on Physical Activity 2018–2030: More active people for a healthier world.

Aims and Objectives

- To develop an awareness about the importance of Yoga in society for better health and fitness.
- To connect people through International Yoga Day.
- To motivate the students for developing their immune system through proper Yoga.

Programme Outcome

- Awareness of physical and mental diseases and its solution through practices Yoga.

Brief Report

Introduction:

With the global initiative of eradication of polio in 1988 following World Health Assembly resolution in 1988, Pulse Polio Immunization programme was launched in India in 1995. Children in the age group of 0-5 years administered polio drops during National and Subnational immunization rounds (in high risk areas) every year. About 172 million children are immunized during each National Immunization Day (NID).

The last polio case in the country was reported from Howrah district of West Bengal with date of onset 13th January 2011. Thereafter no polio case has been reported in the country (25th May 2012). Brief Report

Introduction:

Trekking is an outdoor activity of walking for more than a day. It is a form of walking, undertaken with the specific purpose of exploring and enjoying the scenery. Trekking is more challenging than hiking since it tests one's ability, endurance and their mental as well as psychological capacity. There are many different ways to do a trek and trekking culture often varies from country to country. It usually takes place on trails in areas of relatively unspoiled wilderness, rekking can be viewed from two different points: as an intense exercise, or an amazing and unique learning experience. Personally, I would love to learn whatever, I can during my trek. In trekking, we have to face different difficulties and uncertainties, by overcome them we allow ourselves to enhance our knowledge, experience and the understanding of the world.

Aims and Objectives

- To promote national integration, camaraderie, and a spirit of adventure.
- To develop character, personality and ideals of selfless service.
- The cadets would become familiar with the culture of various places.

- Improved Fitness and Weight loss of the cadets.
- Trekking enables the cadets to reduce the risk of diabetes, strokes, heart failures, and heart attacks.
- Trekking enables cadets to hone leadership skills and enhance their character qualities.
- It would also build self-confidence, self-discipline and gain problem solving skills,leadership skills and enhance awareness

Brief Report

Introduction:

Plastic pollution is today one of the most serious environmental problems affecting the oceans. Once in the natural environment, plastic can take up to 500 years to disappear and impacts wildlife on a daily basis. Drifting between two bodies of water it can strangle or smother any number of animal species. A rally was conducted under the leadership of the TROP members of the college where the students showed their support to the State Government's decision of banning single-use plastic. An eco-critical sense was instilled among the on-lookers that made us spread the green message of stopping plastic usage easily.

Aims and Objectives

- To sensitize people against various kind of pollution.
- To create awareness about pollutions impact on health.
- To organized various activities like lectures, rallies, nukkad, quiz, pledge etc.

- Cadet aware about various types of pollution
- People also know about various types of pollution

Brief Report

Introduction:

Plastic pollution is the accumulation of plastic objects and particles (e.g. plastic bottles, bags and micro beads) in the Earth's environment that adversely affects humans, wildlife and their habitat. Plastics that act as pollutants are categorized by size into micro, meso or macro debris. Plastics are inexpensive and durable, making them very adaptable for different uses; as a result, manufacturers choose to use plastic over other materials. However, the chemical structure of most plastics renders them resistant to many natural processes of degradation and as a result they are slow to degrade. Together, these two factors allow large volumes of plastic to enter the environment as mismanaged waste and for it to persist in the ecosystem. Plastic pollution can afflict land, waterways and oceans.

Brief Report

Introduction:

Kargil Vijay Diwas is commemorated every 26 July in India, to observe India's victory over Pakistan in the Kargil War for ousting Pakistani Forces from their occupied positions on the mountain tops of Northern Kargil District in Ladakh in 1999. Initially, the Pakistani army denied their involvement in the war, claiming that it was caused by Kashmiri militants forces. However documents left behind by casualties, testimony of POWs and later statements by the Prime Minister of Pakistan Nawaz Sharif and Pakistan Army Chief of Army Staff Pervez Musharraf showed the involvement of Pakistani paramilitary forces, led by General Ashraf Rashid. Kargil Vijay Diwas is celebrated on 26 July every year in honour of the Kargil War's Heroes. This day is celebrated all over India and in the national capital, New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at the India Gate every year. Functions are also organized all over the country to commemorate the contributions of the Indian Armed Forces.

Aims and Objectives

- To provide information about Kargil War.
- To encourage the NCC cadets for Nationalism.
- To ignite the spirit of national integration among the cadets and common people in general.

Programme Outcome

 Cadets and the common people were able to understand the situation of battle field during the Kargil War and were also able to know how our Indian Army have fought the Kargil War and Concord.

Brief Report

Introduction:

Tree plantation means planting more trees in a planned way. It is significant in the current age of climate change and global warming. We cannot think of our existence without trees. Trees exert much influence on the climate condition of a country, they are responsible for maintaining the ecological balance throughout the world. An average tree produces enough oxygen to fulfill the oxygen needs of four people. Trees remove pollutants and fine grained particles from the air, reduce noise pollution and act as a buffer to keep residential areas quiet and serene.

Speech about Importance of Tree Plantation given by Hon, able Nanasaheb Mane, Chairman Jayprakasha Education Society

Aims and Objectives

- Combat many environmental issues like deforestation, erosion of soil, global warmingand hence enhancing the beauty and balance of the environment.
- To save endangered environment and to beautify our life.
- Awareness to reduce pollution.

Programme Outcome

- Many saplings of different species were planted. Students were encouraged to address
 the climate change by participating in the massive tree plantation drive.
- Students were encouraged for tree plantation.
- The entire program created a strong feeling among the students.
