Brief Report	Mr. S. Sateeshkumar Subramanian explained his view in online mode and Mr. Sameer explained offline mode. He talked about competition. He said Every year, thousands of candidates appear for various competitive exams like Banking, MPSC, UPSC, RBI Grade-B, Staff Selection, insurance, NET, SET, SSC and many more. To winnow the wheat from the chaff, the difficulty level of all exams increases with passing years. As a result of this, only a few candidates make it to the top. It thus becomes important to devise a strategy in line with your strengths and weaknesses to stay ahead. Make A Time-Table. Schedule and time management are some of the most important things that most students tend to ignore.
